I'm not in yet. Should be in at ~10:15. I'm supposed to go to public records training this afternoon but can skip it if we can find a time to do this. I'll come to your office on my way upstairs.

By the way did you notice when I asked for his splits sop he cc'd the Moses attorney in his response to me?

Who is David? Make it earlier in the day preferable today to get this over with, the stress you folks are causing me is having an impact on my work and health.

Thanks,  
Russ

It's not. David isn't available this morning and I won't be in until a little later.  
David and Linda are copied here. Why is 330 tomorrow bad?
